Subject: Mondays

Hi,  
My friends don't like Mondays. I love them!  
This is what I do:  
I get up at a quarter past six and I get dressed. At six thirty I take my dog for a walk. I eat breakfast at a quarter to seven. My mom drives me to school at a quarter past seven. We have assembly at a quarter to eight. We talk about important things: the history of our country, ecology and many others. Then we have art class. We learn how to draw and paint. At recess, at ten thirty, we play soccer. In the afternoon, at four o'clock, I have my music class. I learn how to play the guitar.  
What about you? Do you like Mondays?  
John
